Lunch is prepared by our Culinary Arts students, desserts are prepared by our Baking & Pastry students, and Hospitality Management students are your servers. We strive to serve and support local, seasonal and sustainable produce, meats and cheeses – partnering with many local farms and dairies to provide as many Northwest products as possible. Thank you for supporting our students and local farms and dairies by dining with us today. Please come visit us again! In the interim, if you're so inclined, please go to *Yelp* or *Zomato* and write about your experience at OCI.

In an effort to provide the best learning opportunity for our students, to-go meals will not be offered at OCI.
